It's wonderful to find a book that encourages and even stressed the need to THINK before you get a puppy and just any puppy. I now work at a vet's office and I recommend this book any and everytime I get a chance. Interested I read it during my lunch breaks and fell in love with it. It's SUCH an excellent book. When you choose a new puppy, you need to meet six developmental deadlines before your puppy is just five months old. "BEFORE You Get Your Puppy" covers the first three developmental deadlines covering the period of puppy selection until your puppy's first week at home.4/5.
