Beneath a Blood Red Moon by Shannon Drake aka Heather Graham Maggie Montgomery is a fashion designer and owner of an elegant boutique in New Orleans. After a horrific crime is committed near her place of business and traces of blood are found leading up to her door, she encounters the homicide detective, Sean Canady, who arrives to question her/5. Nov 10, · Beneath a Blood Moon is the story of Sara Madison who fled domestic violence and is living a seedy life in Las Vegas. Balancing stripping with dancing as a showgirl, trying not to turn to prostitution, Sara finds her world turned upside down when her past comes to haunt her/5. Beneath a Blood Moon was a great read by R J Blain. This was my first of her books to read, though I can tell I am a fan now. Beneath a Blood Moon. We all struggle with the return home. The night I nearly killed myself, the moon hung low in the autumn sky, bleeding its first light. I put a round in the chamber of my, the familiar click-clack of the hammer cocking, chamber locking against the barrel breaking the silence. I tightened my fingers around its grip.
