Bewitching in Boots (Fiery Tales Book 6) out of 5 stars Bewitching in boots for sure!:) By Roxana on January 6, Format: Kindle Edition Verified Purchase. I love Lila DiPasqua! Her books are pretty spicy and very engaging. This one does not disappoints. I do wish it was a bit longer, and that there was a little more development to. 'Bewitching in Boots' by Lila DiPasqua is book six in the "Fiery Tales" series. This is the story of Elisabeth de Roussel and Tristan de Tiersonnier, Count of Saint-Marcel. I have been jumping around in the series so for me this was a standalone book.4/5. Read book online: Bewitching in Boots (Fiery Tales, #6) by Lila DiPasqua.
