Title: Bindle: Some Chapters in the Life of Joseph Bindle Author: Herbert Jenkins () * A Project Gutenberg of Australia eBook * eBook No.: bethelsportsnetwork.com Language: English Date first posted: January Date most recently updated: January This eBook was produced by: Jon Richfield * * * Scanner's comments: This book (Bindle) belonged to my long-deceased, . I love Bindle. I love the picture these stories give of the life of the working classes pre-war, I love the hideous religiosity of Mrs Bindle, I love Millikins. Yes, there is some language to make the modern reader cringe, but nothing unkind/5(5).
