Paranormal romances are one of my favorite genre. It my first time reading about shark shifters, so far, I've read all four books in this series and look forward to reading the others. Though some ideas about shark mating are difficult grasp, I find the book well written, action pack and the characters entertaining. To create a series or add a work to it, go to a "work" page. The "Common Knowledge" section now includes a "Series" field. Enter the name of the series to add the book to it. Works can belong to more than one series. In some cases, as with Chronicles of .

NOTE: This is a 5-part serial (it's not a book series, but a single story in 5 parts).

BLOOD IN THE WATER is A BBW paranormal erotic romance. Even though their world is crumbling, Monroe only wants more of Koenraad. She knows it's dangerous to keep tempting him, but she can't help herself. Koenraad struggles against his shifter urges while he tries to fix the life-and-death disasters piling up on his doorstep.
