Feb 04, · Need for speed is a great book written by Brian Kellehar. The main character Toby Marshall is a mechanic in New York that is struggling just to get by/5. Mar 12, · Watch video · With idiotic story, poor attempt on comedy and altogether bad acting, Need for Speed ruins yet another video game adaptation and hopefully crashes so terribly, there won't be a sequel. 84 of people found this review helpful/10(K).

Physician and physics-hobbyist Birkhofer addresses the highly technical concept of the aether, a physical medium that can explain the wave nature of light, and explores how it may resolve some issues of physics.

Need for Speed 3D review By Anton van Beek When his best friend is killed during an illegal street race, brooding mechanic Tobey Marshall (Aaron Paul) has only one thing on his mind: revenge.
