Analysis of the External Environment of Business In today's highly competitive market, businesses must be aware of the environment in which they operate and the external factors that influence them. These factors can affect the main internal factors of the business and its objectives or marketing strategies. Business Environment and Strategy Notes Exams are near, but you're stuck with the notes, aren't you? Bachelor in Business Studies (BBS 3rd Year) is indeed a challenging course for the students. Course 2 of 4 in the Specialization Strategic Management and Innovation The purpose of this course is to present, analyze and discuss the different facets of business strategy formulation. Emphasizing that strategy can be seen as a unified theme that provides coherence and direction to the actions.
